Children will soon be busy creating colorful, fun artwork here at school. When they finish, you will receive a personalized order form. You may order from 60+ different products featuring your child's artwork, many that cost under \$15. You can even share your code with family and let them order on their own. The school receives a percentage of each order, and you will receive products in time for Christmas giving if you so choose. We hope you will take advantage of Art to Remember!

Keeping Our Children Safe

On September 12, 2023, students in grades K-6 will hear from Connie Streaun, Prevention Coordinator of SCAN (Stop Child Abuse and Neglect.) Per Indiana Code, it is the school's responsibility to help educate students to recognize potential dangers and respond appropriately. These may include bullying, cyberbullying, abuse, neglect, and digital dangers. They learn that while adults are primarily responsible for their safety, there are things they can do to help adults keep them safe. A more detailed description of this program with a link to resources has been sent to families via email.

Guidelines for Illness

If your child is not going to be at school, please contact the office by 9:00 a.m. After that time, we will be making attendance calls to verify absences. If your child is vomiting or running a fever, please keep him/her home.

Pre-Arranged Absences

If you know in advance that your child will be missing consecutive days, please complete a pre-arranged absence form. This notifies teachers and office staff in plenty of time so that work can be prepared to send with your child or possibly made up in advance. Ask the office for a form or download it at <https://www.triton.k12.in.us/resources/downloads>.
