## Triton Gives Back

Friday September 22 all students PreK-12 will be participating in community service projects in an effort to put others over self. It's a great opportunity to help community organizations and individuals. Students will learn about various service organizations as well. We want our students to become adults who care for their community and volunteer to help others. By creating opportunities each year, we hope to achieve this goal!

## Walk-A-Thon 2023

Students will be walking/jogging/running the track during PE classes September 25-28 as part of our annual Walk-A-Thon fundraiser. Dress comfortably on your PE day and prepare to have some friendly competition! There will be prizes for participation, most laps, and most donations. Look for forms going home with all students on Monday. Everyone can participate in some way. Be fit, Trojans

## Art to Remember

Our school is participating in a creative fundraiser with Art to Remember that allows you to purchase keepsake products customized with your child's art. Students have created original artwork here at school. You may order from 60+ different products featuring your child's artwork, many that cost under \$15. You can even share your code with family and let them order on their own. The school receives a percentage of each order, and you will receive products in time for Christmas giving if you so choose. We hope you will take advantage of Art to Remember!

## Late Start for Professional Development

Please note on the following days, school will start at 10:00 a.m. instead of 8:00 a.m. to allow staff time for their own learning. Breakfast will not be served during late start days.
