Note from Mrs. Cook

Kindness has been the theme this week in our National Kindness Challenge. Kindness shows on our faces, in our words, and through our actions. We can *encourage* kindness by *showing* kindness to others. It really is contagious!

It always lifts my day when a student opens a door for me, allows me to pass in front of them in the hallway, or pauses to give me a hug or share a smile. When someone notices what I wear or mentions something on the announcements, I know they notice me. Everyone wants to be noticed for something good, so it is up to each of us to look around and really notice others. Find ways to be kind, and it will come back to you and make you feel good too!

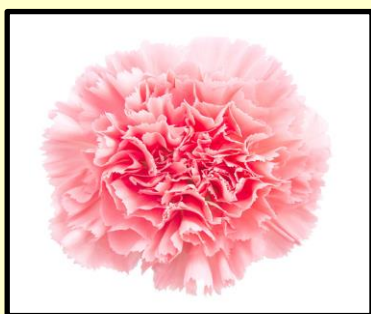

Winter Weather Clothing

Please dress your child for being outside in cold weather. We try to get outside for recess daily unless the wind chill falls below 20 degrees F or the playground surfaces are not safe. We have extra hats and gloves for those who need them. If a warm coat is needed, we can help with that too.

2024 Triton Summer League Baseball

Triton Summer League was created with the purpose of providing a safe place for students to gather and have fun learning the game of baseball. The goal of Triton Summer League is to teach kids the rules of the game along with the fundamentals of hitting and fielding while promoting good sportsmanship. The league wants to give students of all abilities the opportunity to enjoy the game or baseball in a fun, safe environment free from the negativity that surrounds so many youth sports.

Triton Summer League sponsors and supports the 12U and 10U travel teams. These teams are developed for the purpose of helping players that want to play junior high and high school baseball. The travel teams continue to focus on the fundamentals of baseball but also incorporate live pitching.

Registration forms were sent home with all students this week. Make checks payable to: Triton Summer Baseball League. **The Deadline is Wednesday, March 13, 2024. LATE REGISTRATIONS WILL NOT BE ACCEPTED.**
