Study Trips

It's that time of year when many grade levels travel outside the walls of Triton and take learning on the road. We are so thankful our students are able to extend their learning in this way. Kudos to our bus drivers and teachers for making this happen. Parents can help make study trips successful by serving as chaperones when needed and getting permission slips in on time. Students can help by being good listeners, following bus expectations, and representing Triton with PRIDE. Thanks to your donations during the Walk-A-Thon, the cost of study trips is significantly lower.
