Mr. Boyer moved to approve the recommendation for meal prices for the 2024-2025 school year, Mr. Rettinger seconded, and it carried 5-0.

Superintendents Report

Continuous Improvement – I am excited to report that the sound systems in the Trench, TAC, and Tundra have been substantially improved. As we noticed at graduation, these systems, similar to the performing arts center, were assessed and updated with the expertise of Sweetwater Sound out of Ft. Wayne. Ryan Sloan has been incredible to work with and his crews are true professionals in the field of sound. I think our patrons will quickly recognize the difference this fall. The high school hallways, a couple of classrooms, and a couple rooms at the elementary are in the process of getting a fresh coat of paint for the new year. Thank you to Vanadco for working with us to update the banners in the Trench to better reflect Triton colors and successes.
