Dear Families,

This has been a challenging week at Triton Elementary for staff and students. We have felt the thoughts and prayers coming from those in our community as we mourn the loss of a trusted colleague and good friend. I am grateful for the support of many who have come alongside us to help us work through the emotions and logistics. Thank you, families, for talking to your children and allowing them a safe space to grieve, talk, and ask questions. If you feel your child is having an unusually difficult time, do not hesitate to reach out to me or our counselor, Mrs. Sheetz, for additional help. Please know we love and care for each child. We are a school family: We learn together, play together, work together, and sometimes hurt together.

With Love and Gratitude,

Mrs. Cook

IREAD Administration

Students did a great job this week and worked hard on IREAD. Third graders have additional opportunities to retake the test if they don't pass. If students pass in second grade, they do not have to test again in third. We hope to get results sometime next week and will share those results and next steps with parents as soon as possible.
