How Can I Support Triton Students?

- Donating to the Triton Educational Endowment Fund will help to provide resources to teachers and students in the years to come so that innovative and creative educational programs can continue to be offered at Triton School Corporation.
- Your donation is tax deductible because the endowment fund is managed by the Marshall County Community Foundation, a 501(c)(3) nonprofit organization.
- Donors will be recognized through a special public annual report.
- Donors anytime during the 2013-2014 school year will be recognized as the original founders of the fund.
- Once the fund has \$12,500, then \$500 in annual distributions will be available to give away to teachers and students for educational activities. As the fund grows, the annual distribution from the fund grows too and more grants can be awarded each year. The principal remains, which ensures that annual distributions continue into the future. This is especially important as other resources are cut from our schools.

Donors May Choose...

- Unrestricted gifts that allow the foundation to address the schools' highest priority needs.
- Targeted gifts in support of programs of special interest.
- Memorial gifts in honor of a special teacher, principal, member of the community, a family member, in memory of a loved one, or to mark a special occasion such as graduation or reunion.
- Donors employed by an organization with a matching gift program are urged to take advantage of this opportunity whenever possible to double or even triple contributions.
